

Geography Fortnight

11th December 2023

Dear parents/ carers,

When we return to school in January, the whole school will be celebrating Geography Fortnight. Each year group will be studying a different location from around the world:

- Year 3 will be focusing on Rushden and Northamptonshire
- Year 4 will look at the United Kingdom
- Year 5 will be studying countries in Europe
- Year 6 will be exploring North America

Our fortnight of Geography study will culminate in a showcase on **Friday 19th January 2024** in which we would love to invite the children to come dressed in the national dress of their home country. This will be a great opportunity to celebrate the diverse cultures that we have within our school. For those who do not have a national costume for their country, or who do not wish to wear any clothes of national origin, then they are invited to come dressed in the colours of a flag from a country of their choice.

Should your child choose not to dress up, they should come to school in their normal school uniform.

Thank you for your support. We can't wait to learn about the traditional dress and customs from around the world.

Mrs Moody

Year 5 Lead

Inspiring the learning journey!
