

## Meet the Beasts!

7<sup>th</sup> March 2024

Dear parents/ carers,

On Tuesday 4<sup>th</sup> June, Year 5 pupils will 'Meet the Beasts'!

As part of our next project, Beast Creator, Stuart from 'Meet the Beasts' is visiting the pupils so they can get hands-on with all the creatures.

We will be looking for pupils showing our values of courage and respect as they will be learning all about the feeding habits, appearance, characteristics and the habitats of different bugs, insects, and creatures. They will be able to see and hold (if they wish) most of the animals which include a leopard gecko, scorpions, cockroaches, tarantulas and a snake. What an exciting day!

The cost of the event is £4.40 per pupil, and we ask that this contribution be paid by 9am Friday 10<sup>th</sup> May 2024 via ParentMail.

This activity cannot be funded without these contributions and will be cancelled if necessary. [This is in line with the School Charging Policy, which has been compiled in accordance with Sections 449-462 of the Education Act (1996).]

Kind regards,

*Mrs H Moody*

Year 5 Director of Learning
