

## Year 3 'Drop Everything and Read' invite

Monday 28<sup>th</sup> April 2025

Dear parents/ carers

Reading is very beneficial to every child's development as it allows them to access all areas of the curriculum. Reading can take shape in many forms: children can read non-fiction books, fiction books, magazines, menus or newspapers - either to yourselves or on their own.

On **Friday 16<sup>th</sup> May**, Year 3 would like to invite parents, carers or other family members to a 'Drop Everything and Read' session. The session **will begin at 2:25pm** and **will run until 2:45pm** to give pupils time to clear away before the end of the day.

During the session, the children will have the chance to share with you their favourite books or magazines from the Courtyard or the Avenue. The idea of the session is to promote a love a reading - in any form - and build opportunities for discussions around texts.

Should you be able to attend on the afternoon of Friday 16<sup>th</sup> May, please arrive at the main school entrance for 2:20pm so that we can sign you in and take you into your child's classroom for the start of the session.

Kind regards
