# Head's Update

Keeping you informed: Miss Kaur—Headteacher

Friday 9th January 2026

Dear parent/ carer,

Happy new year!

I hope you all had a relaxing break and enjoyed catching up with family and friends. I wish you all good health and happiness for 2026.

The spring term is upon us, and the children are back for their first week of a new term in a new year. This week, we have launched our new value of 'Aspiration'. What did you aspire to do when you were younger?

Please ensure your child has some warm outdoor PE kit as lessons will continue outside as much as possible. Both Years 3 and 4 have history workshops booked for mid-January; all year groups will take part in 'life education' sessions delivered by SCARF; and we look forward to a woodwind recital at the end of the month too.

Safer Internet Day is always an important date in our calendar. Many children use the internet every day for learning, gaming, and social media, but they may not always understand the risks. Safer Internet Day supports digital responsibility. Children learn that what they post online can have long-lasting effects. We help children understand how to think before sharing, respect others' privacy, and build a positive digital footprint.

A chilly, but busy term ahead, so do wrap up warm!

See you at the gate.

G Kaur

Headteacher
